### Annual Reports are coming

A twelve-page color printed report of the 2018 school year will be available during parent/teacher conferences. We will also have a link on the finance page on the Golden Valley Charter Schools' website. Please share this document and spread the knowledge of our schools. Here is a [link](#) to previous reports.

### What is the Central Office?

Golden Valley Charter Schools is a Charter Management Organization (CMO) and currently operates three schools. The CMO consists of a central office team providing back office functions and is the formal administrative organization of the schools. [READ MORE...](#)
